

MONASH ENGLISH (20-WEEK)

R/KJP/00617 - MQA/SWA0118

20 weeks

February and August

RM11,600 Malaysian student

RM12,000 International student

2026 fees for full course

Monash English can help you achieve the English language requirements to pursue your academic ambition at Monash University. It's your stepping stone to a top-50 ranked university¹.

If you've met our academic requirements but narrowly missed the English language requirements, Monash English is for you. Upon successful completion of the program and subject to meeting the minimum English requirements set by the Malaysian government, you'll gain direct entry into selected Monash degrees.

Monash English was a great start to my university life. It taught me the basics of the language and helped prepare me for my university studies. It also gave me time to adapt to my new environment and learn more about the different cultures around me. It was an interesting and enjoyable few months of my life."

RAZAN WALEED ZAHER ABDELATI
Egypt

What will you gain from this course?

- Be better prepared to meet the English standards required for pursuing a Monash University degree.
- Gain confidence in academic skills from the improvement of English proficiency.

Any other qualifications or requirements recognised by Monash University and the Malaysian government.	

¹ #36 in the world by QS World University Rankings 2026.

² The published scores are based on Monash University's minimum English requirements. This may differ for different courses (eg. Bachelor of Human Nutrition) and may subject to change. Additionally, the Malaysian government has set an English requirement for each course, which may be higher than the University's. When you apply, you will be advised if your qualification(s) have met the Malaysian Government's requirement.

³ Monash English is not applicable for the Bachelor of Medical Science and Doctor of Medicine, Postgraduate Diploma in Business and Commerce, Master of Clinical Psychology, and Master of Professional Counselling.

⁴ C1 Advanced was previously known as Cambridge Certificate in Advanced English (CAE), while C2 Proficiency was previously known as Cambridge Certificate of Proficiency in English (CPE).

⁵ Monash University does not accept TOEFL iBT Special Home Edition, Pearson Test of English (Academic) Online and Cambridge Linguaskill General as satisfying the English entry requirement for any Monash course.

MONASH ENGLISH (10-WEEK)

R/KJP/00617 - MQA/SWA0118

10 weeks

May and October

RM6900 Malaysian student
RM7600 International student
2026 fees for full course

If you have the academic qualifications to enter Monash University but require a slight boost in your English language and academic skills, the Monash English's 10-week program is for you.

This program will not only improve your language skills but will help you to achieve

academic success in your course of study. Upon successful completion of the program and subject to meeting the minimum English requirements set by the Malaysian government, you'll gain direct entry into selected Monash degrees.

This compact 10-week program introduces the nuts and bolts of academic literacy needed for academic work and rigour. It is specially designed to equip you with the necessary academic skills to meet the English language standards required for your chosen course.

What will you gain from this course?

- Learn subject language terms specific to your degree or postgraduate area and be better prepared to meet the English standards required for your destination courses.
- Learn to use globally recognised academic conventions such as referencing systems and academic writing styles which are necessary for writing high-quality assignments.
- Guidance in writing research assignments that meet the standards of top-ranked universities.
- Confidence in speaking in a variety of social situations as well as participating in academic discussions.
- Study and collaborate with students from an international community.
- Feel more supported through a personalised learning plan and the ability to track your own progress via the Learning Management System.

What skills will you develop?

- Advanced reading skills that will enable you to critically read and evaluate academic texts such as journal articles and scholarly texts.
- Effective listening and note-taking skills which will assist in understanding spoken texts on a variety of current issues.
- Strategies to understand, apply and explain relevant theories in your destination course.
- Research skills, including strategies to search, filter and evaluate a variety of online and print texts to obtain credible and reliable information.
- Communicate effectively in social conversations, academic discussions and deliver presentations.
- Ability to write reflective essays and research reports which are the required genres of writing in undergraduate and postgraduate programs at Monash University.

Course schedule

10 WEEKS

MONDAYS TO FRIDAYS
4 HOURS A DAY
